Secretary's Report

Emma motions and Debbie 2nds the motion to accept the April Minutes as corrected.

Treasurer's Report

Questions were brought up in regards to monies from the yard signs, suggestions for next year are to put paint in individual containers to send home with parents not buy individual sample paints. Questions arose in regards to monies that should have been paid for food for the banquet. Debbie is looking into finding a CPA for an overdue audit. Until future review we are going to table the treasurer's report.

President's Report

Executive board meetings should be separate in regards to updating by laws, scholarship information. Ideas for the Sept. 7th booster meeting is to get the Thespians involved possibly having them put together some skits. Executive board will meet June 22nd at 6:30 at the Anders house to review by laws. No need for "box office" chair. It was decided the volunteer coordinator is responsible. Possibility of getting a Twitter account for the Company as another way of keeping parents up to date. Ms. Wilson will inquire into the feasibility of doing this. We are still needing volunteers to work concessions for Becky's dance recital on June 11th and 12th.
